

**Herz-Jesu-Kapelle**  
Eingang Klosterhof 6b

This is a 3D architectural rendering of a large, complex building, likely a monastery or university. The main structure is composed of several interconnected wings, mostly in shades of gray. In the center, there are two prominent domes. A specific entrance is highlighted with a bright orange rectangular block. A black callout box with white text points to this entrance. An orange arrow on the right side of the building also points towards the entrance area. The surrounding area includes various other buildings, some shown as simple line drawings, and a few trees. The overall style is clean and technical.
